Subject Index*

A

Abnormalities
Congenital hydronephrosis (Frazier et al). 2001;15:260–2 (Practice Guidelines)
Access; *see* Health services accessibility
Accident prevention
Adolescent mothers' beliefs about parenting and injury prevention: results of a focus group (Murphy). 2001;15:194–9
Scooters as a new trend in injury with opportunities for prevention (Rhynders and Campbell). 2001;15:155–7 (Product Alert)
Adolescence
Adolescent mothers' beliefs about parenting and injury prevention: results of a focus group (Murphy). 2001;15:194–9
Factors influencing health practices of Nepalese adolescent girls (Mahat and Scoloveno). 2001;15:251–5
Tattoos: counseling the adolescent (Montgomery and Parks). 2001; 15:14–9
Adolescent nutrition
Adolescent, pregnant, and vegetarian: a turbulent time for a teen (Rudys-Shapard). 2001;15:35–7 (Patient Management Exchange)
Adolescent pregnancy
Adolescent, pregnant, and vegetarian: a turbulent time for a teen (Rudys-Shapard). 2001;15:35–7 (Patient Management Exchange)
Adolescent psychology
A comparison of the psychological resources of adolescents at low and high risk of mistreating their children (Stevens-Simon and Barrett). 2001; 15:299–303
Adult, college age
The precollege examination: fostering a healthy transition (Muscari and Berkstresser). 2001;15:63–70
Americans for Nursing Shortage (ANSR) Coalition
The nursing shortage: the government's response (Harbison). 2001; 15:265–8 (Legislative News)
Anesthetics, local
Evaluation of pain management interventions for neonatal circumcision pain (Joyce et al). 2001;15:105–14
ANSR Coalition; *see* Americans for Nursing Shortage (ANSR) Coalition
Anticonvulsants
New anticonvulsants for use in pediatric patients (part I) (Kopec). 2001; 15:81–8 (Pediatric Pharmacology)
Apnea
A 6-month-old infant with prolonged QTc interval (Peterson). 2001; 15:263–4, 275–6 (Clinical Insights)
Art therapy
Amela's view of war-torn Sarajevo (Ryan-Wenger). 2001;15:77
Hillary's no good very bad day (Ryan-Wenger). 2001;15:256
Asthma
Updating asthma management: the process of change (Maskell). 2001; 15:20–3

B

Behavioral symptoms
Turning primary care providers' attention to child behavior: a review of the literature (Hawkins-Walsh). 2001;15:115–22
Benefits Improvement and Protection Act of 2000 (BIPA)
The grand finale (Shuren). 2001;15:91–3 (Legislative News)
Birth defects; *see* Abnormalities
Bisexuality

*January/February, pp 1-46; March/April, pp 47-102; May/June, pp 103-158; July/August, pp 159-220; September/October, pp 221-276; November/December, pp 277-334.

Health of lesbian, gay, bisexual, and transgender youth (Stevens and Morgan). 2001;15:24–34
Bleeding disorders; *see* Blood coagulation disorders
Blood coagulation disorders
Pediatric patients with bleeding dyscrasias: What is the cause of delays in initiating replacement therapy? (Sharieff et al). 2001;15:10–3
Breast feeding
Breastfeeding. 2001;15(5):22A (Position Statement)

C

Campaign Reports
The KySS (keep your children/yourself safe and secure) campaign: a national effort to reduce psychosocial morbidities in children and adolescents (Melnyk et al). 2001;15(2):31A–34A
Car seats; *see* Infant equipment
Certification
Certification. 2001;15(5):21A (Position Statement)
New certified pediatric nurse practitioners. 2001;15(3):24A–26A
Chickenpox vaccine
Parental decision-making for the varicella vaccine (Niederhauser et al). 2001;15:236–43
Child abuse
A comparison of the psychological resources of adolescents at low and high risk of mistreating their children (Stevens-Simon and Barrett). 2001; 15:299–303
Emotional abuse: helping prevent the problem (Nelms). 2001;15:103–4 (Editorial)
Shaken baby syndrome (Castiglia). 2001;15:78–80 (Growth and Development)
Child abuse, sexual
Repeated sexual abuse allegations: a problem for primary care providers (Hornor). 2001;15:71–6
Child care
Child care. 2001;15(2):35A (Position Statement)
PNPs as catalysts in child care policymaking (Cohen and Misuraca). 2001;15:49–57
Child development
Child care. 2001;15(2):35A (Position Statement)
PNPs as catalysts in child care policymaking (Cohen and Misuraca). 2001;15:49–57
Putting research into practice: opportunities for practice innovations (Deloian). 2001;15(1):20A–21A (President's Message)
Reshaping primary care: the Healthy Steps initiative (Lawrence et al). 2001;15:58–62
Turning primary care providers' attention to child behavior: a review of the literature (Hawkins-Walsh). 2001;15:115–22
Child, preschool
Over-the-counter medication use in preschool children (Ecklund and Ross). 2001;15:168–72
Child rearing
Parenting for responsibility: love is more than cuddles (Nelms). 2001;15:1–2 (Editorial)
Child welfare
Emotional abuse: helping prevent the problem (Nelms). 2001;15:103–4 (Editorial)
Children with special health care needs (CSHCN)
Managed care and children with special health care needs (Smucker). 2001;15:3–9
PNP roles and interventions with children with special needs and their families (Lindeke et al). 2001;15:138–43
Circumcision
Evaluation of pain management interventions for neonatal circumcision pain (Joyce et al). 2001;15:105–14
Clinical competence
Certification. 2001;15(5):21A (Position Statement)
Clinical Insights
A 6-month-old infant with prolonged QTc interval (Peterson). 2001; 15:263–4, 275–6
Boy with a cough and vomiting (Walsh). 2001;15:211, 219–20
Constipation and weakness (Bausch et al). 2001;15:89–90, 101–2
Fractures at an early age: "it's just bad luck" (Greene). 2001;15:318, 328
Girl with a cough and leg pain (Walsh). 2001;15:41, 45–6
Infant with a chest mass (Greene). 2001;15:150, 158
Community health nursing
Managed care and children with special health care needs (Smucker). 2001;15:3–9
Constipation
Constipation and weakness (Bausch et al). 2001;15:89–90, 101–2 (Clinical Insights)
Constipation in children (Castiglia). 2001;15:200–2 (Growth and Development)
Contraception behavior
Pregnancy prevention in primary care for adolescent males (Watt). 2001;15:223–8
Corrections
Fiber formula (Kulewicz) 2001;15:202. Correction 2001;15:327
Correspondence; *see* Letters to the Editor
Cough
Boy with a cough and vomiting (Walsh). 2001;15:211, 219–20 (Clinical Insights)
Girl with a cough and leg pain (Walsh). 2001;15:41, 45–6 (Clinical Insights)
Cystic fibrosis
Prevention and treatment of osteoporosis in the cystic fibrosis population (Robinson and Nahata). 2001;15:308–17 (Pediatric Pharmacology)

D

Delivery of health care
Comparison of health status of children using a school-based health center for comprehensive care (Berti et al). 2001;15:244–50
Health care delivery errors: patient safety falls prey to politics (Shuren). 2001;15:42–4 (Legislative News)
Dermatomyositis
Juvenile dermatomyositis: an atypical presentation (Carlisle and Partridge). 2001;15:287–90
Desmopressin
Pediatric patients with bleeding dyscrasias: what is the cause of delays in initiating replacement therapy? (Sharieff et al). 2001;15:10–3
Diabetes mellitus, non-insulin-dependent
Issues and concerns about diabetes in children (Castiglia). 2001;15:304–7 (Growth and Development)
Type 2 diabetes in children and adolescents: an emerging disease (Brosnan et al). 2001;15:187–93
Diagnostic techniques and procedures
A 6-month-old infant with prolonged QTc interval (Peterson). 2001;15:263–4, 275–6 (Clinical Insights)
A guide to children with acute and chronic headaches (Rosenblum and Fisher). 2001;15:229–35
Disease management
Issues and concerns about diabetes in children (Castiglia). 2001;15:304–7 (Growth and Development)
Juvenile dermatomyositis: an atypical presentation (Carlisle and Partridge). 2001;15:287–90
Type 2 diabetes in children and adolescents: an emerging disease (Brosnan et al). 2001;15:187–93
Updating asthma management: the process of change (Maskell). 2001; 15:20–3
Down syndrome
Caring for children with Down syndrome and their families (Van Riper and Cohen). 2001;15:123–31
Drugs, non-prescription
Over-the-counter medication use in preschool children (Ecklund and Ross). 2001;15:168–72

E

Editorials
Childhood obesity: taking on the issue (Nelms). 2001;15:47–8

Growth and Development
Constipation in children (Castiglia). 2001;15:200–2
Issues and concerns about diabetes in children (Castiglia). 2001;15:304–7
Shaken baby syndrome (Castiglia). 2001;15:78–80

H

Headache
A guide to children with acute and chronic headaches (Rosenblum and Fisher). 2001;15:229–35
Health behavior
Factors influencing health practices of Nepalese adolescent girls (Mahat and Scoloveno). 2001;15:251–5
Health education
Parenting classes: from birth to 3 years (Gaylord). 2001;15:179–86
Health policy
Health care delivery errors: patient safety falls prey to politics (Shuren). 2001;15:42–4 (Legislative News)
PNPs: activists in the local, national, and global arenas (Novak). 2001;15(5):17A–18A (President's Message)
PNPs as catalysts in child care policymaking (Cohen and Misuraca). 2001;15:49–57
The grand finale (Shuren). 2001;15:91–3 (Legislative News)
Health promotion
Delivering health care to children on their turf: an elementary school-based wellness center (Sanford). 2001;15:132–7
Health: a philosophical statement. 2001;15(1):26A (Position Statement)
Health of lesbian, gay, bisexual, and transgender youth (Stevens and Morgan). 2001;15:24–34
Letter to the editor (Gillett). 2001;15:218 (Letter)
Middle-school smokers: reading the smoke signal (McNeill). 2001;15:144–6 (Patient Management Exchange)
The precollege examination: fostering a healthy transition (Muscari and Berkstresser). 2001;15:63–70
Health services accessibility
Access to care. 2001;15(6):27A-28A (Position Statement)
Delivering health care to children on their turf: an elementary school-based wellness center (Sanford). 2001;15:132–7
Practice identity, collaboration, and optimal access to effective health care (Murphy). 2001;15:98–100 (Professional Insights)
Healthy Steps initiative
Reshaping primary care: the Healthy Steps initiative (Lawrence et al). 2001;15:58–62
Heptavalent pneumococcal conjugate vaccine
Prevnar (heptavalent pneumococcal conjugate vaccine): disease prevention in infants and children (Shields). 2001;15:203–10 (Pediatric Pharmacology)
HIV infections
Disclosure of HIV diagnosis to children: when, where, why, and how (Gerson et al). 2001;15:161–7
Pediatric HIV disease. 2001;15(1):24A (Position Statement)
Homeless youth
Comparison of health status of children using a school-based health center for comprehensive care (Berti et al). 2001;15:244–50
Homosexuality
Health of lesbian, gay, bisexual, and transgender youth (Stevens and Morgan). 2001;15:24–34
Humanism
Keeping the caring in health care (Nelms). 2001;15:277–9 (Editorial)
Hydronephrosis
Congenital hydronephrosis (Frazier et al). 2001;15:260–2 (Practice Guidelines)

I

Immunization; *see also* Vaccination
Immunizations: Could they hurt less? (Clark and Manworren). 2001;15:322–3 (Product Alert)
Immunization programs
A bi-state, metropolitan, school-based immunization campaign: lessons from the Kansas City experience (Wilson). 2001;15:173–8
Incidence
Type 2 diabetes in children and adolescents: an emerging disease (Brosnan et al). 2001;15:187–93
Infant equipment
Kids and car safety: beyond car seats and seat belts (Starr). 2001;15:257–9 (Patient Management Exchange)
Infant, newborn
The jittery newborn (Armentrout and Caple). 2001;15:147–9 (Practice Guidelines)
Infant nutrition
Breastfeeding. 2001;15(5):22A (Position Statement)

J

Jitters; *see* Tremor

K

Kinetic drawings; *see* Art therapy
Knowledge, attitudes, practice
Adolescent mothers' beliefs about parenting and injury prevention: results of a focus group (Murphy). 2001;15:194–9
Over-the-counter medication use in preschool children (Ecklund and Ross). 2001;15:168–72
KySS Campaign
The KySS (keep your children/yourself safe and secure) campaign: A national effort to reduce psychosocial morbidities in children and adolescents (Melnyk et al). 2001;15(2):31A–34A

L

Leadership
The 2001-2004 strategic plan: striking a balance (Novak). 2001;15(6):22A-23A
Leg pain
Girl with a cough and leg pain (Walsh). 2001;15:41, 45–6 (Clinical Insights)
Legislative News
Health care delivery errors: patient safety falls prey to politics (Shuren). 2001;15:42–4
Incorporating compliance into your practice: a primer on the fraud and abuse laws (Shuren). 2001;15:151–4
Patients' bill of rights: NAPNAP's role in this legislative debate (Harbison). 2001;15:212–4
Six painful lessons of politics (Hall). 2001;15:319–21
The grand finale (Shuren). 2001;15:91–3
The nursing shortage: the government's response (Harbison). 2001;15:265–8
Letters to the Editor
Letter to the editor. 2001;15:218, 327
Limping

Evaluation of a child with a limp (Gunner and Scott). 2001;15:38–40 (Practice Guidelines)
Literature Reviews
Literature review. 2001;15:131, 178, 250
Lymphangioma, cystic
Infant with a chest mass (Greene). 2001;15:150, 158 (Clinical Insights)
Letter (Karian) and Reply (Greene). 2001;15:327

M

Managed care programs
Managed care and children with special health care needs (Smucker). 2001;15:3–9
Marketing of health services
Marketing the role of the nurse practitioner: the challenges of implementation (Deloian). 2001;15(2):25A–26A (President's Message)
Medical errors
Health care delivery errors: patient safety falls prey to politics (Shuren). 2001;15:42–4 (Legislative News)
Medicare
Incorporating compliance into your practice: a primer on the fraud and abuse laws (Shuren). 2001;15:151–4 (Legislative News)
Mentoring
Mentoring: promoting a legacy for the future (Nelms). 2001;15:159–60 (Editorial)
Migraine
A guide to children with acute and chronic headaches (Rosenblum and Fisher). 2001;15:229–35
Munchausen syndrome by proxy
Repeated sexual abuse allegations: a problem for primary care providers (Hornor). 2001;15:71–6
Muscle hypotonia
Constipation and weakness (Bausch et al). 2001;15:89–90, 101–2 (Clinical Insights)
Muscular diseases
Juvenile dermatomyositis: an atypical presentation (Carlisle and Partridge). 2001;15:287–90

N

NAPNAP Update
NAPNAP Update (Melnyk). 2001;15(1):22A–23A, 2001;15(2):27A–30A, 2001;15(3):20A–21A, 2001;15(4):24A–29A; (Smith). 2001;15(5):18A–19A; 2001;15(6):24A-25A
National office nominees
NAPNAP Update (Melnyk). 2001;15(2):27A–30A
Nepal
Factors influencing health practices of Nepalese adolescent girls (Mahat and Scoloveno). 2001;15:251–5
Nursing research
Putting research into practice: opportunities for practice innovations (Deloian). 2001;15(1):20A–21A (President's Message)
Nursing shortage
The nursing shortage: the government's response (Harbison). 2001;15:265–8 (Legislative News)
Nutrition; *see* Infant nutrition

O

Obesity
Childhood obesity: taking on the issue (Nelms). 2001;15:47–8 (Editorial)
Letter to the editor (Gillett). 2001;15:218 (Letter)
Office visits
Making time for teaching (Gottesman). 2001;15:94–7 (Patient Education Review)
Osteogenesis imperfecta
Fractures at an early age: "it's just bad luck" (Greene). 2001;15:318, 328 (Clinical Insights)
Osteoporosis
Prevention and treatment of osteoporosis in the cystic fibrosis population (Robinson and Nahata). 2001;15:308–17 (Pediatric Pharmacology)

P

Pain
Evaluation of pain management interventions for neonatal circumcision pain (Joyce et al). 2001;15:105–14
Parenting
A comparison of the psychological resources of adolescents at low and high risk of mistreating their children (Stevens-Simon and Barrett). 2001;15:299–303
Adolescent mothers' beliefs about parenting and injury prevention: results of a focus group (Murphy). 2001;15:194–9
Parental decision-making for the varicella vaccine (Niederhauser et al). 2001;15:236–43
Parenting classes: from birth to 3 years (Gaylord). 2001;15:179–86
Parenting for responsibility: love is more than cuddles (Nelms). 2001;15:1–2 (Editorial)
Shaken baby syndrome (Castiglia). 2001;15:78–80 (Growth and Development)
Patient advocacy
Patients' bill of rights: NAPNAP's role in this legislative debate (Harbison). 2001;15:212–4 (Legislative News)
Patient care management
PNP roles and interventions with children with special needs and their families (Lindeke et al). 2001;15:138–43
Patient care team
Updating asthma management: the process of change (Maskell). 2001;15:20–3
Patient education
Educating parents about normal stool pattern changes in infants (Arias et al). 2001;15:269–74 (Patient Education Review)
Making time for teaching (Gottesman). 2001;15:94–7 (Patient Education Review)
Patient Education Review
Educating parents about normal stool pattern changes in infants (Arias et al). 2001;15:269–74
Making time for teaching (Gottesman). 2001;15:94–7
Patient Management Exchange
Adolescent, pregnant, and vegetarian: a turbulent time for a teen (Rudys-Shapard). 2001;15:35–7
Kids and car safety: beyond car seats and seat belts (Starr). 2001;15:257–9
Middle-school smokers: reading the smoke signal (McNeill). 2001;15:144–6
Patients' Bill of Rights; *see* Patient advocacy
Pediatric Pharmacology
New anticonvulsants for use in pediatric patients (part I) (Kopec). 2001;15:81–8
Prevention and treatment of osteoporosis in the cystic fibrosis population (Robinson and Nahata). 2001;15:308–17
Prevnar (heptavalent pneumococcal conjugate vaccine): disease prevention in infants and children (Shields). 2001;15:203–10
Physical examination
The precollege examination: fostering a healthy transition (Muscari and Berkstresser). 2001;15:63–70
Policy making
PNPs: activists in the local, national, and global arenas (Novak). 2001;15(5):17A–18A (President's Message)
Politics
Six painful lessons of politics (Hall). 2001;15:319–21 (Legislative News)
